***Based on availability of funds, tuition assistance for child care may be an option. Financial assistance provided by Child Care Information Services and the PA Department of Human Services is also accepted.***

## Sliding Scale Program:

For families with income below 400% of the Poverty line our center has a sliding scale program. Please see reverse side of this paper to see the income guidelines must be submitted. In order to qualify for this program a complete application with income documentation must be submitted. The center is not able to retroactively change tuition
