How Your Sponsorship Helps

Proceeds from the Backyard Barbeque will benefit the Providence Connections general fund. Your contribution will support children and families through:

- Early education and kindergarten preparedness for disadvantaged children from birth to age 5
- Academic support and enrichment for school age children
- Home visits by Family Development Specialists to offer support for families of young children
- Summer camp for at-risk children who otherwise might not be able to experience 9 weeks of swimming, field trips, museums, sports events, outdoor exploration, and much more
- A caring environment that offers safety, supportive listening, and a sense of belonging for families experiencing crisis
- Operating expenses and administrative costs

Other Ways You Can Help

- Contribute an item or service for the silent auction.
- Purchase an ad for the program book.
- Purchase tickets.
- Consider an underwriting contribution.
