Financial Agreement Terms for 2024-2025:

Providence Family Support Center (PFSC) is open Monday through Friday from 7:00 am – 4:30 pm.

PFSC provides a developmentally appropriate learning program including breakfast, lunch, rest, and an afternoon snack.

A \$50.00 Registration Fee is charged at the time of enrollment. Tuition and copayments are due the first service day of each week. A sibling discount of 10% of the tuition for the oldest child is offered to families with more than one child. Tuition and copayments are not credited, and schedule adjustments are not made for days absent.

If you plan on withdrawing your child(ren) for the summer months with plans to return for the new school year, a \$125.00 Holding Fee will be charged upon departure from the program.

Sliding Scale Program - Our center has a sliding scale program for families with income below 400% of the poverty line. Please see the attached Federal Poverty Limit Chart for income guidelines that are used. To qualify for this program, a complete application including documentation of income must be submitted. Please note that we are not able to retroactively change tuition rates. Applications are available by calling the front desk.

Staffing is based upon the hours that you requested. We require that you follow that schedule to avoid classrooms being out of compliance with teacher: child ratios.

All children must be picked up promptly by their scheduled departure time. There will be a charge of \$10.00 per 10-minute interval if you are late picking up your child beyond the program closing times of 3:00 pm (Head Start Supplemental and PreK Counts) and 4:30 pm, as well as beyond your scheduled departure time.
