### **Financial Agreement Terms for 2026-2027:**

Providence Family Support Center (PFSC) is open Monday through Friday from 7:00 am – 4:30 pm.

PFSC provides a developmentally appropriate learning program including breakfast, lunch, rest, and an afternoon snack.

A \$50.00 Registration Fee is charged at the time of enrollment. Tuition and co-payments are due on the first service day of each week. A sibling discount of 10% of the tuition for the oldest child is offered to families with more than one child. Tuition and co-payments are not credited, and schedule adjustments are not made for days absent.

If you plan on withdrawing your child(ren) for the summer months with plans to return for the new school year, a \$150.00 Holding Fee will be charged upon departure from the program.

Sliding Scale Program - Our center has a sliding scale program for families with income below 400% of the poverty line. Please see the attached Federal Poverty Limit Chart for income guidelines that are used. To qualify for this program, a complete application including documentation of income must be submitted. Please note that we cannot retroactively change tuition rates. Applications are available at the front desk.

Staffing is based upon the hours that you requested. We require that you follow that schedule to avoid classrooms being out of compliance with teacher: child ratios.

All children must be picked up promptly by their scheduled departure time. Departure time for Head Start and PreK Counts is 3:00 pm unless you have been authorized for childcare funding through the ELRC or are paying privately for childcare. There will be a charge of \$10.00 per 10-minute interval if you are late picking up your child at our 4:30 pm closing time.
