Curiosity Starts Here

2026 DAYTIME STEM PROGRAMMING

We are thrilled to host the Kamin Science Center for a series of hands-on, interactive programs designed to inspire learners of all ages—from our youngest toddlers to elementary-aged explorers.

Bubble Science October 1, 2026

Pre-K | Chemistry & Engineering

Dive into a world of suds! Children will explore the science of bubbles—from giant bubbles to foamy mountains—by experimenting with textures and ingredients. This hands-on, interactive session focuses on matter, energy, and problem-solving.

Portable Planetarium: One World, One Sky November 11, 2026

Pre-K - Grade 2 | Astronomy

Join Elmo and Hu Hu Zhu (from Sesame Street® in China) for an immersive astronomical journey. This session introduces young learners to the Sun, Moon, and stars, fostering an appreciation for our global community and the wonders of outer space.

HOLIDAYS AT THE TABLE: THANKSGIVING & CHRISTMAS

Gather & Give Thanks Community Dinner at La Roche University

November 19th | 4:30-7pm

9000 Babcock Blvd, Pittsburgh, PA 15237

Come join us for a Community Dinner. Together, we'll share a delicious meal, celebrate the blessings we've received, and strengthen the bonds that unite us. This is a time to welcome everyone to gather around the table in a spirit of love, kindness, and fellowship.

Santa's Brunch December 12th | 11am-1pm

You're invited to enjoy our holiday brunch with fun activities and a chance to meet Santa himself! It's the perfect way to kick off the season with a few magical surprises!
